

YOUTH GROUP SCHEDULE

Bonfire Wood Needed:

The youth program is looking for some wood to burn for bonfires over the summer. Would you be willing to donate or share? We can arrange for a day or time for youth to help load the split wood and haul it over to SSLC. Let Jeremy know if you are able to help!

When we say "Youth" what do we mean?

The youth ministry program at SSLC is geared towards students in Grade 5 through 12th/Graduates. When we publicize for this program we refer to students who have completed grade 4 (summer between 4th and 5th grade.) We want and encourage families with 4th graders in 2017 to think about attending over the course of the summer. This gives kids a chance to connect to the program, check out the activities and events, and get to know kids in the program throughout the summer to ease the transition into fall programming. You as parents are welcome to attend any of our events as well! Connect with Jeremy at sslcjeremy@gmail.com or via cell at 612-201-6382 for more information.
