Homes for Our Troops

Homes For Our Troops (HFOT) is a privately funded 501(c) (3) nonprofit organization that builds and donates specially adapted custom homes nationwide for severely injured post – 9/11 Veterans, to enable them to rebuild their lives.

Most of these Veterans have sustained injuries including multiple limb amputations, partial or full paralysis, and/or severe traumatic brain injury (TBI). These homes restore some of the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives.
