### Heifer International

Heifer International's mission is to work with communities to end world hunger and poverty and to care for the Earth.

We empower families to turn hunger and poverty into hope and prosperity – but our approach is more than just giving them a handout. Heifer links communities and helps bring sustainable agriculture and commerce to areas with a long history of poverty. Our animals provide partners with both food and reliable income, as agricultural products such as milk, eggs and honey can be traded or sold at market.

The goal of every Heifer project is to help families achieve self-reliance. We do this by providing them the tools they need to sustain themselves, thanks to the donors like you.
